

### Primary Details

**Builder:** Oyster  
**Model:** 545  
**Price:** \$1,900,000  
**Type:** Sail  
**Hull Type:** GRP  
**Length:** 16.43m  
**Condition:** Used  
**Year Model:** 2016  
**Location:** NEWPORT

### Description

Pegasus is a fully equipped Oyster 545, ready to set sail and cruise the world. The current owners goal was to be able to do some ocean cruising in safety and comfort, with GBP 220,000 of extras over and above the standard Oyster specification. These extras include generator, air-conditioning, watermaker, washer/dryer, cockpit fridge, davits, satellite communications package, built in Apple computer, TV, additional Raymarine plotter at pedestal and numerous other extras.

Pegasus was shipped to Sydney after construction in the UK in 2016, and was fully imported with Australian taxes paid.

She has had very light use which included a trip to Whitsunday's and casual club racing on Pittwater.

Great opportunity to secure a vessel of this quality without the 2 year wait time from the factory.

Owners are reluctantly selling her as they have now decided to upgrade to a larger new Oyster 595.

She has been professionally maintained and presents as new. Contact Michael Coxon for more information on 0406653300.

### Secondary Details

**Beam (m):** 4.75  
**Draft (m):** 2.4  
**Keel Type:** 7,100kg High performance bulb (HPB) external lead keel.  
**Displacement (kg):** 21,315 kgs  
**Hull Construction Material:** The hull laminate material comprises a combination of E-Glass, Kevlar and Carbon. The hull is of composite moulded construction using a combination of vinylester and polyester resin with the outer topside finish in white gelcoat.  
**Deck Construction Material:** Moulded in GRP to the 'Oyster G5' style with balsa core. Natural teak laid decks with black Sika caulking and a modern rolled deck edge with graceful sheer line.  
**Designer:** Humphreys Yacht Design UK

### Machinery

**Engine Information:** Yanmar 110hp- 455 hrs

**Engine Hours:** 455

**Fuel Capacity:** 850L

**Fuel Type:** Diesel

**Steering:** Wheel

**Genset:** Onan 7.0 generator, 7kW/220V/50Hz. Approximately 155 hrs at November 2017.

**Prop Type:** 3 blade max prop with rope cutter.

**Drive Type:** Inboard/Shaftdrive

**Engine Room:** Insulated with a composite of foam and high-density polymer sound absorbing material, accessed via a large hinged door in the aft head compartment and chart table area. Further removable panels in galley. 24V lighting and a 24V extractor fan.

**Service History:** Regular and available

### Safety Equipment

**Bilge:** 24V electric bilge pump with an automatic air operated level switch, rated at 3,000 litres per hour at 3m head. Double action heavy-duty manual bilge pump in cockpit. Whale Gusher 10 Mk III manual bilge pump in saloon. Engine driven bilge pump.

**Safety Gear:** 6 man life raft, Epirb, white horseshoe lifebuoy, light and drogue, webbing jackstays, emergency tiller, various fire extinguishers including automatic in engine bay, fire blanket in the galley.

### Sails

**Sail Information:** Dolphin Sails - constructed using a Pentex Cruise laminate to a tri-radial design. Fully battened mainsail, Furlex electric furling for genoa #1 approximately 140%. North Sails - G2 gennaker, 1.5oz Norlon with snuffer.

### Anchor/Winch

**Ground Tackle Information:** 34kg (75lb) CQR anchor with 80m of 12mm gal chain Spade Kedge anchor - MCA rated, galvanised and collapsible with S80 - 10m x 12mm chain, 100m x 20mm Octoplait. Stowage in anchor locker.

**Anchor/ Winch:** Lewmar V4 vertical capstan type 24V electric anchor windlass. The windlass is two-way and operated by adjacent foot switch controls. Remote windlass control at pedestal.

### Mast Rigging

**Mast Information:** Sloop rig, Formula Masts spars with white painted finish. Two spreader rig. Upgraded to single line reefing and Park Avenue type boom. Lazy jacks and boom cover. Carbon bow prodder. Navtec hydraulic backstay tensioner. Carbon pole vertically stowed on mast
