Model: 38
Price: \$150,000
Type: Sail
Hull Type: GRP
Length: 11.68m
Condition: Used
Year Model: 2003
Location: HOBART

Description

Fordplay is arguably the best presented Bavaria 38 in the country. Located in the quiet waters of Geilston Bay Hobart, she impressed on every point.

Maintained by fastidious owners, who have presented her beautifully for sale. Below decks you will find, a very clean, dry and airy two cabin vessel with a large bathroom to port.

Plenty of galley space and tonnes of storage throughout, ideal for those wanting to live aboard.

Fordplay performs beautifully under sail. Her triradial cut North's main sets well. 2.3m Deep lead keel and longer rudder give her great form stability and grip when needed. She comes complete with Raymarine instruments incl radar, two chart plotters, one on custom helm pod. AIS, wind generator, 1000w inverter. Dodger, bimini and full cockpit clears, ideal for those winter months in Tas.

Engine has been well serviced with full records from local Volvo dealer. Bow thruster, safety gear, ready to drop the lines and go.

Contact Vicsail Sydney for further information or to arrange an inspection.

Secondary Details

Beam (m): 3.86
Draft (m): 2.3
Keel Type: Deep lead fin 2096kg with spade rudder
Displacement (kg): 7200kg
Hull Construction Material: Bavaria builds its boats in solid GRP up to the waterline, with GRP/foam sandwich topsides and deck. The hull laminate is beefed-up around the keel join and includes Kevlar fabric in the bow for increased impact resistance
