Description

KALINA is a classic Cavalier 37 and is being put on the market by a very reluctant original owner.

She was built by Guy Keon at Cavalier Yachts in Seven Hills and was launched in October 1984. She is a sister ship to Kay Cottee's Blackmores First Lady which was built by same builder around the same time.

The boat is in very good condition and has been professionally maintained at all time. It has been cruised and raced regularly out of the RPAYC which she remains currently berthed. She comes fully equipped to continue racing and cruising in the future.

Raymarine instruments, electric windlass, oversized winches, lazy jacks and wheel steer make handling a breeze whether it be short handed or with a team.

Generous sized cockpit, protected by dodger and boom tent and a lovely spacious interior that sleeps 6.

Contact Vicsail Sydney on 93272088 for further information or to arrange an inspection.
