Model: Oceanis 41
Price: \$399,000
Type: Sail
Hull Type: GRP
Length: 12.43m
Condition: Used
Year Model: 2015
Location: Australia

Description

Now reduced to \$399,000, this is no ordinary Beneteau Oceanis 41!

'Amore' was the last Oceanis 41 imported into Australia, launched in November 2015. From the factory she was specified with the 2 cabin 1 head layout owners layout in rich mahogany timber, classic rig with lazy jack bag, deep performance keel, bow thruster, electric head, top shelf exclusive package and Simrad instruments pack with plotter.

With extended cruising and self sufficient, live aboard comfort in mind the owner took her Oceanis 41 to the next level with an extensive local refit costing around \$150,000, fit for a mini super yacht including; custom stainless davits connected to the bimini with solar panels, sprayhood, asymmetrical spinnaker in sock, storm sail and rigging, spinnaker pole and rigging, HF radio, satellite phone, AIS, Radar, 70LPH watermaker, lithium batteries with large alternator and cooling system, life raft & bracket mounted to deck, Foxtel satellite dome, mast lighting & stainless lighting panel in cockpit, VHF radio and stereo controls in cockpit, HD TV, 240V inverter, gas detector, electronic corrosion protection, BBQ & bracket, hard bottom tender & 8HP outboard, salt/fresh water deck wash unit, battery monitor, microwave, hydrostatic epirb, extra electrical panel, spreader lights, cockpit cushions, carpet, saloon covers (ensuring all looks brand new), fans in all cabins, jack stays, near category 2 safety equipment, second anchor with custom anchor locker storage wall, Eco mattress in main cabin, fitted sheets and more.

While capable of serious Pacific cruising 'Amore' has only ever been sailed on the East Coast of Australia. She is antifouled with the engine serviced in July 2018 and is ready waiting for new owners to go and enjoy now without the hassle of going through the extensive fitout.
